The Newport

Retractable Patio Awning

The Newport Retractable Awning adds fashion and function to your backyard. Our awnings are designed to be self-supporting so you can enjoy your view without looking at unattractive poles or supports. When your awning is open, it's attractive look makes a stunning statement. The shade an awning provides can reduce the temperature on your deck or patio by up to 20 degrees. Frame colors are available in white, almond, bronze or sand. Widths available up to 26' with projections from 5'-9" to 11'-8".

Features:

- Powder coated White, Almond, Bronze or Sand frame
- Welded acrylic seams for increased seam strength
- Optional drop screen on projections up to 10'-2"
- Heavy duty arms
- Wrapped front bar
- Custom widths up to 26' in 1" increments
- 7-Pin adjustable shoulder

Warranties:

- Frame – 10 years
- Fabric – 5 years
- Motor – 5 years

The Newport has a strong compact front bar that may be ordered wrapped or unwrapped.

The durable extruded shoulder offers 7 pitch selections, making your desired awning angle easy to achieve.

***Important Note:** Retractable awnings are designed for sun protection only. Warranties will not cover damage caused by adverse weather conditions such as wind, rain, snow or sleet.

The Hampton

Retractable Patio Awning

The Hampton Retractable Awning is the elegant way to provide shade on demand, reducing cooling costs while protecting your family from harmful UV rays. The Hampton combines superior quality engineering and state of the art technology. All frame components have an electrostatic powder coated durable finish to prevent chipping and cracking. Frame colors are available in white, almond, bronze or sand. Widths available up to 40' with projections from 5'-9" to 13'-2".

Features:

- Powder coated Almond, White , Bronze or Sand frame (Low gloss finish)
- Welded acrylic seams for increased seam strength
- Optional drop screen on width to 26' projections & up to 11'-8"
- Heavy duty arms
- Wrapped front bar
- Custom widths up to 40' in 1" increments
- Flex-pitch shoulder for maximum shade control

Warranties:

- Frame – 20 years
- Fabric – 5 years
- Motor – 5 years

Our wrapped front bar is sleek, elegant and ... simply beautiful. The front bar is hidden with the wrap of your chosen fabric on both The Hampton and The Somerset.

Flex-pitch control, for projections up to 13'-2". Raise or lower the angle of your awning with the turn of the hand crank.

***Important Note:** Retractable awnings are designed for sun protection only. Warranties will not cover damage caused by adverse weather conditions such as wind, rain, snow or sleet.

Warranties & Options

What makes our awnings stand out from the rest are our top of the line warranties and options.

We make every awning with the utmost of care to your exact specifications and back it with great warranties. Bel-Aire frame warranties range from 10 years to 20 years and we stand by our fabric and motors with a 5 year warranty. We use only premium solution dyed acrylic fabric that is available in over 200 color or striped patterns.

Options are what make your awnings special and add that extra bit of elegance to your home. We offer six different valance styles, with color matching braid for that finishing touch. We also offer four beautiful powder coated frames. We have a multitude of accessories to make your awning even more easy to use, ranging from motorization packages to sun and wind sensors. We want your awning to be used with ease and peace of mind for years to come.

Optional heavy-duty brackets for roof mount installation when wall space height requirements cannot be met.

Choose from a wide selection of Somfy® motors and controls to make your awning completely automated.

Add an optional Weatherguard Cover to protect your fabric from the elements and dirt while retracted.
